The 2011 Cub Scout Family Weekend at Camp Whitsett

Located in the Sequoia National Forest, Camp Whitsett offers an outstanding venue for camping. Camp Whitsett is situated at an elevation of 4300' with its own lake for swimming. This is a once in a lifetime opportunity to experience one of the premier Boy Scout Camps while still in Cub Scouts! This beautiful camp is the perfect end-of-summer family outing. Packs can use this outing to qualify for the Summertime Pack Award. The camp is located approximately 4 hours north of the San Fernando Valley. It is north east of Bakersfield and 35 miles north of Lake Isabella. The program facilities and equipment at Whitsett are second to none. This will be an unforgettable experience for your entire family. If you are looking for a fun way to end the summer in a great forest location, Camp Whitsett is the place for you. You will not need a tent (platform tents with cots and mattresses are provided). Activities are designed for all family members and all program materials and food are provided as in Cub/Parent. Friday night dinner may be **pre-purchased** for this event.
